Emergency Board Meeting Minutes
Monday, September 29, 2025**

The Spearfish Soccer Association (SSA) held the emergency board meeting on Monday, September 29, 2025 at the Spearfish Chamber. The meeting was called to order at 7:00 pm by SSA President Tavis Little. Board members present: Jodi Watts, Taylor Custis, Pete Skvicalo, Ryan Fremont, and Mandy Verhulst.

- It was voted on if we continue to hold an actual Rec Tournament as we had numerous teams withdrawal and the numbers just weren't there like last year. Motion was made to turn this into a jamboree, refund all teams and pay the director and assistant director as the number of teams that had all been registered at the time.
- It was brought to the Associations attention that we had coaches who were coaching at tournaments who had not been listed on the roster as they had not completed the required coaching items.
 - It was agreed upon that going forward a coach will be suspended for the season if they are caught in violation of this policy.

Meeting adjourned.
